

Dear Buyer: at _____

As a regular and dedicated customer, I have been buying **Natural Rush Honey** for over _____ years at your store. You always stocked it on your shelves for many years. It has been available in the marketplace since 1978 and is a staple in the industry.

I would really appreciate it if you would order and carry this product so that I may purchase it on my regular shopping trips to your store. Please let me know A.S.A.P.

Thank-You

Sincerely
